

**TOWN OF MARBLEHEAD, MASSACHUSETTS
BOARD OF WATER AND SEWER COMMISSIONERS
CONTRACT NO. 27-03
LEAD SERVICE LINE INVESTIGATIONS**

The Town of Marblehead, MA will receive sealed Bids for the Lead Service Line Investigations until August 19, 2026 at 10:00 A.M. local time. All documents can be found at <https://procurement.opengov.com/portal/marblehead>.

The project consists of work to investigate water service lines with unknown material, including both privately owned and Town owned sides of the water service line, for approximately 100 locations. Investigations via potholing to take place at either the curb stop, to identify both public and private water service materials, or at the corporation stop, to confirm the public water service material is brass or iron and to identify the connector material to the water main. The project shall also consist of replacing water service lines, on the private and/or public side, that is made up of lead, brass, or galvanized material, for up to 10 locations.

Each bid shall be accompanied by a Bid Bond, a Certified Check or a Treasurer's or Cashier's Check issued by a responsible Bank or Trust Company, in the amount of five (5) percent of the submitted bid, as Bid Security. If submitting a check, it must be delivered to the Procurement Office at 7 Widger Road, Marblehead, MA 01945 before the deadline of the bid due date.

Minimum wage rates are required as per M.G.L, Chapter 149, Section 26 to 27D inclusive.

The successful Bidder will be required to furnish a Payment and Performance Bond each in the full amount of the Contract.

Bids for this Contract are subject to the provisions of Massachusetts General Laws (MGL) Chapter 30, Section 39M.

The Owner reserves the right to reject any or all Bids, and to limit the extent of the work to keep within the limits of available funds.
